

CLEANING FOR A REASON TOPS RESEARCH FOUNDATIONS

“There are tons of cancer-research foundations. I need help with my house! I have three small children and have been taking chemotherapy for over 19 months. We don’t need another research foundation; this is what I need today. This is a God-send to me.”

Cancer Patient, Long Island, NY

You do not need to be a researcher, doctor or nurse to have a positive and dramatic impact on the life of a cancer patient. Member companies of Cleaning For A Reason are proving this every time they leave a clean home for a woman receiving treatment for cancer.

Cleaning For A Reason is a non-profit organization dedicated to providing free and discounted cleaning for cancer patients. This nonprofit was formed in 2006 and is the only foundation in America doing this type of philanthropic work. *Heavenly Touch Maids* is proud to say that we are a Local Chapter of this organization.

We have always helped women simplify their lives. That is what we do. So being a part of the Cleaning For A Reason Foundation is a natural fit for our company. As a local business we are grateful for the success that we have attained through our many loyal customers. We are proud of the services we provide and proud to be able to help those in need. It is another way that we can reach out to our community.

We are committed to providing the gift of a clean home to women undergoing treatment for cancer through this Foundation. When someone knows a woman who is in need of help during this difficult season of her life she can contact Cleaning For A Reason at www.cleaningforareason.org.

The national Cleaning For A Reason Foundation makes it possible for us to do our part in the way we know best: cleaning homes every day and making a difference.
